Waterproofing Systems, Sealers & Sealants

## Urethane coatings

### SEALEX 470 Satin

**DESCRIPTION:**

Sealex 470 is a second generation urethane dispersion which gives excellent adhesion to concrete and other substrates. It provides ease of use and VOC compliance, with the added benefit of durability, good yellowing and UV resistance on exterior exposure. It has good abrasion and chemical resistance.

### SEALEX 472 Gloss

**DESCRIPTION:**

Sealex 472 is a second generation urethane dispersion which gives excellent adhesion to concrete and other substrates. It provides ease of use and VOC compliance, with the added benefit of durability, good yellowing and UV resistance on exterior exposure. It has good abrasion and chemical resistance.
