KP33	Kwik Patch cementitos mortar	64 / Pallet

Thin Patch

DESCRIPTION:

RLA Thin Patch provides a smooth permanent finish to a variety of substrates, prior to installation floor coverings such as vinyl sheets and tiles. RLA Thin Patch contains no sand, therefore giving user true featheredge. RLA Thin Patch is fast curing, and allows the installation of most types of floor covering in as little as 20 minutes. Types include concrete, ceramic and quarry tiles. Use RLA Thin Patch to smooth ridges, fill in scratches, gouges and joints to provide a true featheredged finish.

Code:	Description	Size
TP20	Thin Patch smooth finish	64 / Pallet
